

TOUCHING BASE

DECEMBER • 2019

BOARD UPDATE

December's Board Meeting was focused on each of our committee chairs presenting their anticipated budget for priority initiatives in 2020. We will work to consolidate the initiatives so that we can schedule them throughout the calendar for 2020, focusing on providing our members the opportunity to participate with strategic focus on both dates and locations. We will be touching base in the new year to look for volunteers in moving some of the initiatives forward and we encourage you to get the most out of your membership by becoming further involved on a committee!
