REGISTER NOW FOR THE FIRST EVER IN-PERSON IPDA CONFERENCE

Those who have experienced IPD know firsthand the superior outcomes achieved through this contract method. Perceived barriers can deter organizations from adopting a collaborative project delivery method.

Those wishing to register can do so on the conference webpage HERE.

What's In This Month's Issue:

- IPDA Conference 2023

- AGM / AAAPM / Practitioner Forum
- IPDA Board of Directors

- Showcasing IPD Projects

COME FOR THE CONFERENCE, STAY FOR THE AGM & AAAPM

These events are open to IPDA members only - you must be part of a registered IPDA Member organization to attend these events.

The day after the IPDA conference we will be holding the Annual AGM in Montreal for our members.

This day will be split into two parts - the Annual General Meeting and Annual Action Agenda Planning Meeting with the option of participation in a Member Practitioner Forum. These events are open to IPDA members only.

The AAAPM is a unique opportunity where the IPDA asks its members to voice their input on the topics, research, and projects we focus on in the years to come. Virtual participation for the AGM will be available using a Zoom link.

Following the AGM & AAAPM there will be an optional Member Practitioner Forum for those joining in-person Montreal

Those wishing to register can do so on the conference webpage **HERE**.
